Joy –

Thank you for confirming that you will produce Breanne Madigan's responsive, non-privileged Skype communications in advance of her deposition. Productions from third parties indicate that in addition to Skype, Ms. Madigan used Telegram to communicate regarding issues related to XRP and Ripple. See BAMT 001440 and SEC-CSCAPITAL-E-0079141. As such, we request that Ripple produce responsive, non-privileged Telegram communications in advance of her deposition. Thank you, and please let us know your response by Tuesday.
